PROJECT **EVERYBODY** ABOUT US

Our Goal: To celebrate the achievements of people of all abilities, and to advocate for a thriving community that is diverse and inclusive.

Our Mission: To create and promote platforms that showcase the talents of people of all abilities.

Project **EveryBODY** (PEB) is a community collaboration led by Open Door Group. Through a series of events and the annual legacy project, the campaign highlights the incredible range of talent within the disabilities community. This year, we are excited to present PEBemployment, a hiring fair and employment forum for persons with disabilities; PEBart, our beloved annual art, film and culture festival; and PEBcelebrates, Vancouver's premier celebration of the UN International Day of Persons with Disabilities.

With Re:presentation as our theme, Project **EveryBODY** 2017 will disrupt traditional representations of persons with disabilities. Over a period of 4 months, through a mix of community photography workshops and online photo contests, the Legacy Project will invite people of all abilities in the Lower Mainland to rethink, reinvent, and re:present disability.

All events are free and open to the public. Venues are wheelchair accessible. We offer accessibility services including ASL Interpreters, CART Services, and Described Audio.

PROJECT EVERYBODY THE EVENTS

September 27 | 250 Attendees
Vancouver Community College
Downtown Campus

PEBemployment

PEBemployment attracts 200+ diverse job seekers and 20+ local businesses actively hiring for diversity each year. This year, we are taking the event to the next level by adding workshops and a focus on job opportunities for youth!

To prepare job seekers and employers for success, we will be offering a variety of job fair readiness workshops all through September, as well as "Inclusive Hiring 101" for employers with helpful hints for meeting this unique talent pool. The only hiring fair in the Lower Mainland that matches inclusive employers with job seekers of diverse abilities, PEBemployment will launch PEB2017 with a bang.

October 5 | 150 Attendees
Roundhouse Community Arts &
Recreation Centre

PEBart

An audience favourite and an annual sell-out event, PEBart is a night of cabaret-style entertainment featuring film, music, poetry, dance, and more! Often described by guests as "the most fun I've ever had!", PEBart showcases art by, and about, members of the disability community.

Gathering dozens of local artists and drawing 150+ people each year, PEBart is an important platform for emerging and established artists of diverse abilities to express their creative voice and share their stories with one another, and with the broader community, in order to change common perceptions about abilities and disabilities.

PEBcelebrates

The finale of the Project **EveryBODY** campaign, PEBcelebrates is Vancouver's community celebration in honour of the United Nations International Day of Persons with Disabilities.

This unique event will feature family friendly, community engaged activities throughout the day. Popular favourites include an art show & sale featuring local artists and organizations, resource booths, live music, and interactive workshops. PEBcelebrates is an ever-evolving event as we work with the community to engage with artists, musicians, organizations, and advocates to put on a program that truly reflects the talents of people of all abilities.
