ABOUT THE EVENT:

About Project EveryBODY- PEBCelebrates Live! is the premier event in Vancouver to recognize and celebrate the United Nations Designated International Day of Persons with Disabilities. Led by Open Door Group, this is a collaboration of community and non-profit organizations who embrace diversity and inclusion including the Disability Foundation, Developmental Disabilities Association, posAbilities; as well as the City of Vancouver, Roundhouse Community Arts & Recreation Centre, Back in Motion, and Vancity.
The observance of International Day of Persons with Disabilities aims to promote an understanding of disability issues and mobilize support for the dignity, rights and well-being of persons with disabilities. It also seeks to increase awareness of the gains to be derived from the integration of persons with disabilities in every aspect of political, social, economic and cultural life.
